COURSE REQUIREMENTS:

A. Attendance Policy

1. The School of Ministry and the Ministers' Pre-Requisite Service (Attendance Policy) is based on the recognition that punctual and regular class attendance is essential to the success of the class. The student who truly feels that the School of Ministry is effective and helping them as an individual will develop the habit of regular class attendance.

2. Class attendance is required for all students enrolled in HHOL's Empowered for Purpose School of Ministry. Class absences will be excused only when valid documentation is provided for serious illness and family emergencies. Other absences may be excused at the discretion of the Administrator, and or other class Facilitators who may require documentation. Students must notify the Administrator or Class Facilitator, in advance when possible, of the reasons for class absences. When prior notification is impossible, students are required to explain the reasons for their absence by the next class. When students fail to explain class absences, those absences are un-excused.

3. Students are required to arrive at each class on time and remain in class until dismissed by the Pastor or attending Facilitator. Students are responsible for notifying the Administrator, in advance when possible, of reasons for late arrivals and early departures.

Consequences for class absences: Students enrolled in HHOL's Empowered for Purpose School of Ministry will be withdrawn due to non-attendance when:

A. They miss three (3) consecutive class periods without giving prior notification to the instructor of the reason for the absences; or

B. Their hours of un-excused class absences exceed ten percent (10%) of the total class contact sessions scheduled for the class program.

4. Appeal of Withdrawal. A student may appeal a withdrawal by submitting the appropriate form to the director. Any student appealing a withdrawal due to non-attendance from the class may attend the class until the appeal is resolved (approved or denied).

B. Test Make-up Policy

A test may not be made up unless all the following conditions are met:

1. Prompt student notification; called in if necessary, but not the same day the test is missed.
2. A written request from student to director upon student's return.
3. Consent of the director and/or instructor to make up test.
4. Student's appearance at the designated time and place to complete the make-up test.

Note: A student failing to meet these conditions for one test may salvage the score by earning double credit on the final exam.

TEACHING STRATEGIES

- Topical lecture combining text and additional material
- Overhead PowerPoints
